Chapter 1 by 19christiann

Hello, it's me

I was wondering if after all these years you'd like to meet

To go over everything

They say that time's supposed to heal ya

But I ain't done much healing

Hello, can you hear me?

I'm in California dreaming about who we used to be

When we were younger and free

I've forgotten how it felt before the world fell at our feet

There's such a difference between us

And a million miles

Hello from the other side

I must have called a thousand times

To tell you I'm sorry for everything that I've done

But when I call you never seem to be home

Hello from the outside

At least I can say that I've tried

To tell you I'm sorry for breaking your heart

But it don't matter. It clearly doesn't tear you apart anymore

Hello, how are you?

It's so typical of me to talk about myself in the third person

I hope that you're well

Did you ever make it out of that town where everything ever happened?

And it's no secret that the both of us
Are running out of time

So hello from the other side (other side)
I must have called a thousand times (thousand times)
To tell you I'm sorry for everything that I've done
But when I call you never seem to be home
Hello from the outside (outside)
At least I can say that I've tried (I've tried)
To tell you I'm sorry for breaking your heart
But it don't matter. It clearly doesn't tear you apart anymore

[4x:]
(Highs, highs, highs, highs,
Lows, lows, lows, lows)
Anymore

Hello from the other side (other side)
I must have called a thousand times (thousand times)
To tell you I'm sorry for everything that I've done
But when I call you never seem to be home
Hello from the outside (outside)
At least I can say that I've tried (I've tried)
To tell you I'm sorry for breaking your heart
But it don't matter. It clearly doesn't tear you apart anymore

Chapter 2 by Juan Cena

Oh, it's just me, myself and I
Solo ride until I die
'Cause I got me for life

(yeah)

Oh I don't need a hand to hold
Even when the night is cold
I got that fire in my soul

[G-Eazy]

And as far as I can see I just need privacy
Plus a whole lot of tree, fuck all this modesty
I just need space to do me get a world that they're tryna see
A Stella Maxwell right beside of me
A Ferrari I'm buyin' three
A closet of Saint Laurent, get what I want when I want
'Cause this hunger is driving me, yeah
I just need to be alone, I just need to be at home
Understand what I'm speaking on if time is money I need a loan
But regardless I'll always keep keepin' on
Fuck fake friends, we don't take L's we just make M's
While y'all follow, we just make trends
I'm right back to work when that break ends

[Bebe Rexha (G-Eazy):]

Oh, it's just me, myself and I
Solo ride until I die
'Cause I got me for life
(Got me for life, yeah)
Oh I don't need a hand to hold
Even when the night is cold
I got that fire in my soul

[Bebe Rexha (G-Eazy):]

I don't need anything to get me through the night
Except the beat that's in my heart
Yeah, it's keeping me alive
(Keeps me alive)
I don't need anything to make me satisfied (you know)
'Cause the music does me good and it gets me every time

[G-Eazy:]

Yeah, and I don't like talking to strangers

So get the fuck off me I'm

I'm tryna be cool but I may just go ape shit

Say "fuck y'all" to all of y'all faces
It changes though now that I'm famous
Everyone knows how this lifestyle is dangerous
But I love it the rush is amazing
Celebrate nightly and everyone rages
I found how to cope with my anger
I'm swimming in money
Swimming in liquor my liver is muddy
But it's all good I'm still sippin' this bubbly
This shit is lovely, this shit ain't random, I didn't get lucky
Made it right here 'cause I'm sick with it Cudi
They all take the money for granted
But don't want to work for it tell me now, isn't it funny? Nah

[G-Eazy:]

Yeah, lonely nights I laid awake

Pray to lord, my soul to take

My heart's become too cold to break

Know I'm great but I'm broke as hell

Having dreams that I'm folding cake

All my life I've been told to wait

But I'mma get it now, yeah it's no debate

Yeah

[Bebe Rexha (G-Eazy):]
